Communications Union District (CUD) - CUD is a Communications Union District, allowing two or more towns to bond together as a municipal entity for a means of building communication infrastructure together. For more see Title 30: Public Service, Chapter 82: Communications Union Districts in Vermont state statutes. Other types of municipal districts include Solid Waste Districts, Consolidated Sewer Districts, Emergency Medical Service Districts, Natural Resources Conservation Districts, Consolidated Water Districts.

Note: Washington is now a member of both ECFiber and CVFiber. Londonderry is now a member of both SoVT and DV.
