Discussion Summary: Tonya said we do have all of the domains hosted on one platform, so our IT folks are planning to have the transition finished by Oct. 30 and have everyone on the same platform (Google Suite).

We are hosting a press conference on Wed. Oct. 30 at 11am at the Brighton warehouse. Senator Welch has committed to come. A speaker from USDA is planning to come, and invites are going out to Rep. Balint and Governor Scott as well as State Legislators, and candidates for office.

Take Rate: 19.5% for NEK Broadband (547 customers); 23% for CVFiber (513 customers). There was a discussion of the number of zone launches in each territory and the cadence of communications that go to the residents that live in each zone.

Annual Meeting

Discussion Summary: Christa said that Nick will send an email to Board members in each County about the process to choose a Rep. from each county to be on the Executive Committee. He needs a point person from each County to help with that process. At the May 2025 Annual Meeting, the members will be voted in again to commence the 1,2 and 3 year terms that will initiate the staggered elections for the Executive Committee. The Annual Meeting will be a full hour and a half meeting on Nov. 12 and will be followed immediately by the public hearing on the budget.
