Quotation Requirements

Please include the following information with your quotation:

- Unit pricing for each line item.
- Extended pricing and total quotation amount.
- Shipping costs listed separately.
- Confirmed manufacturing lead time and expected delivery date.
- Country of origin and confirmation of **Build America, Buy America (BABA)** compliance.
- Any minimum order quantities or additional terms and conditions.
- Warranty information, if applicable.

NEK Broadband reserves the right to award all or part of this RFQ to one or more suppliers based on price, lead time, product availability, compliance with specifications, and overall best value.

We appreciate your interest and look forward to receiving your quotation.
